

10th International Symposium on Light Matter Interaction (ILMI-2026)

September 22-23, 2026

National Centre for Physics (NCP), Islamabad, Pakistan

Introduction

The 10th “International Symposium on Light Matter Interaction (ILMI)” is being organized at the National Centre for Physics (NCP), from September 22-23, 2026. The main idea of holding the symposium is to provide a common platform to the national researchers working in the field of Atomic and Laser Physics to discuss and share the recent advancements and challenges. The symposium shall highlight the emerging technologies and prospects in the field of light matter interactions.

Major Topics

- Laser Induced Breakdown Spectroscopy (LIBS)
- Fiber optic sensors
- Fiber Lasers
- Materials spectroscopy
- Pulsed Laser Deposition (PLD)
- Semiconductor thin film preparation and characterizations
- Semiconductor lasers

Participation

Research students, post-doctoral researchers, faculty members, scientists and engineers are encouraged to apply for this scientific activity. The students submitting abstract for oral or poster presentation along with their application will be given preference during selection. Outstation participants will be provided with accommodation at NCP.

How to Apply

Online Registration Form can be accessed at <http://www.ncp.edu.pk/lmi-2026.php>. The Application form should be submitted before **10 August 2026**.

Registration Fee

Students	Rs. 2000/-
Faculty/Professionals	Rs. 5000/-

Selected applicants will be required to pay the registration fee via online payment. There is no registration fee for the invited speakers and foreign participants.

Co-Organizers: International Centre for Theoretical Physics (AS-ICTP), Italy.

Pakistan Academy of Sciences (PAS), Islamabad.

Online Application Deadline: 10 August 2026.
